CRISIS

Dear Urooj Fatima,
2/26/2007, Pakistan, Passport #:

Welcome to Harvard National Model United Nations 2026! It is my pleasure to invite you to attend our conference's Seventy-Second Annual Session. This year's conference will be held from Thursday, February 12th to Sunday, February 15th, 2026, at the Boston Marriott Copley Place Hotel in Boston, Massachusetts. Our Secretariat and staff are thrilled to welcome you to our historic city and conference.

HNMMUN always strives to embody and demonstrate the educational and diplomatic spirit that make Model United Nations such a cherished experience for so many. Our commitments to substantive excellence, diplomacy, and service to our delegates are all oriented towards fostering meaningful dialogue on important global issues. Within our simulations of real-world decision-making bodies, we strive to uphold the ideals of multilateralism and diplomacy, allowing our delegates to learn from one another.

At our upcoming session of HNMMUN, we are redoubling our commitment towards providing not only a premier collegiate Model UN experience, but also a robust and active international relations forum for university students across the globe. It is our mission to bring together and educate the next generation of leaders in international affairs and to bring together students who are already outstanding leaders. More than half of HNMMUN's delegates traditionally come from outside the United States, and we hope to continue to offer HNMMUN as an accessible experience for U.S. and non-U.S. college students alike. As with past years, HNMMUN will serve as a platform for innovation and dialogue to build relationships and form a global array of perspectives.

Our entire Secretariat and staff composed of Harvard College undergraduate students will work tirelessly to ensure an incredible delegate experience at HNMMUN 2026. We truly look forward to having you join us next spring for an unmatched Model UN experience. Please browse through our updated website to review all committees and opportunities offered at HNMMUN 2026, and if you have any questions, please do not hesitate to contact us. On behalf of our entire staff, I look forward to welcoming you in person at the Seventy-Second session of Harvard National Model United Nations!

Warmly,

Frannie M. Krause
